Topic	Good	Improved	Basic	No Knowledge
Partnership & Governance				
Landscape Characterisation (ECA & GI)				
Toolkits				
Website				
Partnership & Mentoring				

**5. To what extent has the workshop raised an awareness and understanding of Green Infrastructure?**

**6. Has the workshop helped to develop an understanding of the concepts of GI i.e. governance, partnership framework, strategies and policies and implementation for GI Delivery? If not how could this be improved?**

**7. How will the workshop enable you to put the GI concepts, training and implementation into practice?**

**8. Do you currently have a partnership arrangement to develop one or more GI schemes?**

**If you have a partnership, at what stage is it in relation to:**

- a) a specific project**
- b) established at a formal or informal level**
- c) establishing a costed project**
- d) securing funding or moving towards implementation**

**If you are not in a partnership, do you envisage that you will wish to do so and, has the seminar assisted in establishing one or making contact with other support organisations?**

*Please comment:*

**9. What other areas of Green Infrastructure do you feel you need advice and support on?**

**RNRP will be providing mentoring and assistance in helping to establish working partnerships.**

Initial contact will be made by the RNRP to delegates after each event within 10 working days. At this time it is intended to have named mentors for people to maintain contact with for future support.
