

Catchment Sensitive Farming and the CFE invite you to a breakfast meeting on...

## Using Countryside Stewardship for your farm's wildlife, pollinators and cleaner water

at Maidford Village Hall, Church Lane, Maidford, Northamptonshire NN12 8HH

### Tuesday 19 July 2016

7.45am – 10am

**Breakfast served from 7.45am, meeting starts at 8am**

(catering by Julie Turnham - please advise of any dietary requirements)

A free workshop hosted by Catchment Sensitive Farming and Campaign for the Farmed Environment.

Come along to hear about:

- Oilseed Rape, Black Grass and water protection – an update from the Voluntary Initiative
- Catchment Sensitive Farming – hear the latest news from the project and how it can help your CS application.
- Countryside Stewardship – how to meet the farm wildlife and wild pollinator requirements to ensure maximum environmental benefit at minimal cost.

Speakers will include:

- Patrick Goldsworthy, Voluntary Initiative
- Simon Bateman, Catchment Sensitive Farming Officer for the Upper Gt Ouse
- Louise Richmond, Campaign for the Farmed Environment

NRoSO and BASIS CPD points have been applied for.

Please look out for direction signs.
