What's next? What's happening? How can you get involved?

Made in Corby is funded by the Arts Council as part of its Creative People and Places programme. We're taking a new approach to make sure more Corby people than ever before can take the lead; experiencing, creating and taking part in great art. Our focus is working with local communities, artists, arts & voluntary organisations and partners in Corby.

The main strands of our ambitious three year arts programme:

Big Nights Out

Signature events in 2015 and 2016 bringing national iconic artists to Corby to collaborate with local people. Plus other Big Nights Out during the year programmed with communities to see arts events, exhibitions and performances in Corby and beyond. Tell us what's on your must-see wish list?

Big Days In

New arts activities, experiences and opportunities to take part in your area, programmed and commissioned by local communities working with national and local artists. We're keen to hear what you'd like see and do.

Big Ideas

Got a big arts idea that you'd like to see happening near you? Want to get it off the ground quickly? Our Big Ideas Fund could help you, with support from excellent artists and local professional arts mentors. Our Big Ideas Panel is made up of Corby people making the decisions. Panels meet in May and October 2015, so get in touch if you have a Big Idea, want an application form, or would like to be involved as a panel member in future.
