

CONSERVATION WALKS

Two circular walks have been created across historic pasture as additions to the existing public paths. The shorter walk runs along the Osier Bed, past Weekley Mill (site of) and back to Weekley. The other extends into Weekley Park, part of the larger Boughton Estate. This route passes Star Pond and heads back to the village past Weekley Church and the Montague Hospital Almshouse.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2011. For more information contact DEFRA: 020 7238 6907 (Office hours).
